Join us for this dynamic opportunity for youth (Scouters and non-Scouters) to engage in hands on STEM activities with partners from your community. We will be inviting all of our STEM Partners to showcase the STEM adventures that they can provide for youth. Additionally, these partners will showcase the requirements they are able cover for NOVA Awards, Adventure Beltloops, Merit Badges, and Explorations that Scouts are looking to achieve. Bring a friend and your family! You won't want to miss out on this day of fun hands-on STEM Adventures!

THIS EVENT IS OPEN TO CUB SCOUTS, BOY SCOUTS, VENTURERS AND NON-SCOUTING FAMILIES!
